FOR IMMEDIATE RELEASE

Noise Advisory for Schofield Barracks

SCHOFIELD BARRACKS, Hawaii (Feb. 4, 2015) — Residents in the communities surrounding Schofield Barracks should anticipate an increase in noise tonight and Thursday night, as a result of Marine Corps field artillery training exercises, here.

The effects of training vary depending on weather conditions. Overcast conditions may increase noise and vibrations. Smoke may be visible for a short time; however, there is no immediate danger.

The military services in Hawaii appreciate the community's understanding and continued support of local service members and families. While sometimes loud, the sounds of training represent how the military ensures the nation's service members are ready to accomplish the mission and return home safely.

To report concerns related to noise or training, community members can call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at (808) 656-3487 or email usaghi.pao.comrel@us.army.mil. The USAG-HI Public Affairs Office responds to all reported concerns during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

For questions regarding Marine Corps training, please contact Marine Corps Base Hawaii Public Affairs at 257-8839.
